

Your locally owned Gold's Gym is happy to announce we will Re-Open Monday, January 11th at 10:00 am under new phase 1 guidelines!

Governor Jay Inslee announced "DOH (Department Of Health) now believes that the state can safely allow appointment-based fitness and training where there is no more than 1 customer per room or 500 sq. feet for large facilities. This will allow gyms to schedule people wanting to come in to work out in a safe way to ensure activity during winter months. Masks and physical distancing are required."

Club capacity will be set at 1 member per 500 sq. feet and we will manage capacity as members come in. Amenities available will be similar to when we closed and will increase in phases. Member lap swim will be available by appointment. Group Fitness classes will resume at a later date.

As a reminder, all members are asked to continue to follow physical distancing guidelines, wear a face covering during your workout, wipe down equipment before and after every use, and not visit the gym if you are displaying flu-like symptoms such as fever, cough or any difficulty breathing. Gold's Gym will continue to follow all federal, state, and local guidelines to ensure the health and safety of our Members and Team Members. Our Team Members will continue to wear masks during their shifts.

### **Member Billing**

For members with active billing when we closed, billing will be pro-rated and resume once we re-open. Please note, your next bill may look different based on the day of month your billing is collected, number of days we were closed and number of days you had access to the club. If your annual enhancement fee date was during the time of closure, you will now be billed that amount on February 1st, 2021. Monthly billing is calculated automatically by our billing company. **No action is required by you.**

Below is an example using a scenario of billing date on the 5th and dues of \$30 per month. *Amounts will vary by member based on individual bill dates and dues amounts.*

- Member dues November 5th (\$30.00)
- **Club closed November 17th**
- 18 days credit owed (November 17th - December 4th) - (\$18.00)
- Member dues December 5th - (\$0.00) stopped billing
- Member dues January 5th - (\$0.00) stopped billing
- **Club Opens January 11th**
- Member dues upon opening - January 11th - (\$5.00)
- 23 days member owes (January 11th - February 4th) | 23.00 - \$18.00 credit = \$5.00
- Resume normal member dues February 5th - (\$30.00)
